

Terms and Conditions for Group Classes

1. TERMS OF ALL JUST DANCING STUDIO ACTIVITIES

Timeliness: Please arrive on-time for your scheduled class or lesson. Instructors often have back-to-back lessons and will not be able to run over the scheduled time. Many students prefer to come early to change shoes, stretch and warm-up before their lesson.

Mutual Respect: Just Dancing students and instructors commit to treating each other with dignity and respect before, after and during their lessons and events. No sexual harassment, misogynistic, degrading or insulting behavior, language, actions, etc. will be tolerated from either Just Dancing staff or students. If any person in the studio feels like they have experienced such actions, we encourage them to inform a JD management member promptly.

Hygiene: Social dancing involves touching and being close to other people, so we always encourage our students to practice good hygiene! We provide free hand sanitizer at the front desk, but also recommend each student practice their own good personal hygiene routine before stepping on the dance floor.

Communal Space: Just Dancing Studio St. Louis is a community-driven space, and we ask all members of the studio family to treat the space with kindness and respect. If you drop or spill something, please help clean it up promptly. If you have a lot of personal items, please store them in the student bins under the window in Studio A. If your shoes are dirty or have rocks in them, please clean them before stepping onto the dance floor. Please do not wear your dance shoes out of the studio as they will pick up dirt and rocks easily and will lose their grip.

Video/Audio Recording: Just Dancing records audio and video of all activities in our studio spaces to ensure the personal safety of our instructors and students. There are no cameras in the dressing room or in the bathrooms. These video/audio recordings will only be viewable by the owners of the studio and will only be viewed should we be made aware of an incident that involves personal safety. Recordings are kept for 30 days. Please make us aware of any incident in a timely fashion.

2. TERMS OF GROUP CLASSES

Schedule and Length: All Just Dancing group classes are scheduled in 45-minute time blocks, at specific times between 5:00 pm and 9:00 pm, Monday to Friday. The current schedule of group classes can always be found at www.justdancingstudio.com/classes.

Payment Options: Group classes are offered in single evening sessions. We encourage you to preregister for classes. If you preregister and buy your spot in advance, we offer a \$5 discount. If you choose to drop in or pay at the studio, class will be \$20/person.

Standardization: Just Dancing Group Classes, by design, are meant for groups of 4 or more students. Instructors will focus on the class as a whole and may not be able to give all students one-on-one guidance during a group class. If a student would like additional attention from an instructor, Just Dancing recommends taking private lessons.

Partner Rotation: Group classes are a communal experience, and Just Dancing instructors will often ask students to rotate partners throughout the class. This is an important part of the Just Dancing experience, as it allows students to meet and dance with other students. It also encourages our solo members to come out to classes and not worry that they will never have anyone to dance with. If two students would prefer not to rotate dance partners, we ask that they consider taking Private Lessons, where no rotation is expected. In addition, because of the make-up of leaders and followers in a certain class, you may be asked to dance as a lead or a follower even though that may not be the part you hold in a partnership.
